PREBENA
Wilfried Bornemann GmbH & Co. KG

BEFESTIGUNGSTECHNIK – FASTENING TECHNOLOGY

(DOP)

Declaration of Performance

Nr.421605

1. **Product type:**

   The anchor nails with diameters 4,0 mm in the version galvanized agree with the product standard EN14592.

2. **Type, batch or serial number for identification of the construction product referred to in Article 11, paragraph 4 of the BauPVO:**

   The production date and batch number can be found in the product labeling.

3. **Intended use of the construction in accordance with harmonized technical specification:**

   For load-bearing wooden construction

4. **Address of the manufacturer under Article 11, paragraph 5 of the BauPVO:**

   PREBENA Wilfried Bornemann GmbH & Co.KG
   Seestraße 20 – 26
   63667 Schotten
   Germany

5. **Authorised representativ:**

   PREBENA CE-Authorized Andreas Hofmann

6. **System for assessment and verification of constancy of performance**

   System 3

7. **Notified testlaboratory:**

   The notified body VHT Laboratory of Wood and Drywall - 1503 - has the initial assessment (ITT) of the Construction performed and confirmed by a certificate of conformity. The factory production control is in place and carried out according to the requirements of the product standard.

8. **Wenn das Bauprodukt über eine europäische technische Bewertung geregelt ist:**

   Not applicable

9. Declared services:

Main features	given as	performance	Harmonized technical specification
Characteristic yield moment	Characteristic yield moment	CE Supplement	EN14592:2012-08
Characteristic withdrawal parameter	Characteristic withdrawal parameter	CE Supplement	
Characteristic head pull-through parameter	Characteristic head pull-through parameter	CE Supplement	
durability	durability	NKL 1-2 with a zinc layer thickness ≥ 12 microns	

Note: The values of the services listed (CE Supplement) are provided on the Website.

10. The performence oft he products is in conformity with the declared performance in point 9. This declaration of performance is issued under the sole responsibility of the manufacturer identified in poin 4.

Signed on behalf of the manufacturer:

Andreas Hofmann
(CE-Authorized)

Schotten, 10.06.2013
