Fixpoint type FGL (for clamping)

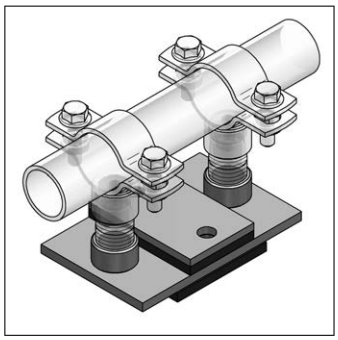

EPDM

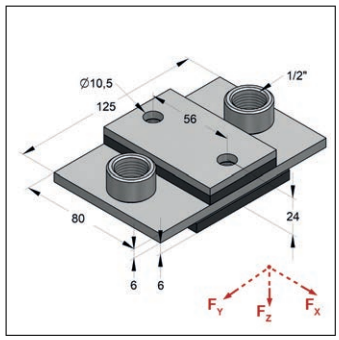

Without soundinsulation

Without soundinsulation

Soundinsulated

Soundinsulated

Specification

Application area:	Light fixpoint for pipes up to Ø 46 mm.
Recommended accessories:	Pipe clamp Maxima PSM 3G see chapter 1

Technical data

Material:	Steel
Surface:	galvanized
Temperature resistance:	-35 °C up to 100 °C

* Sound insulation according to DIN 4109
