Profile rail 45, C-profile

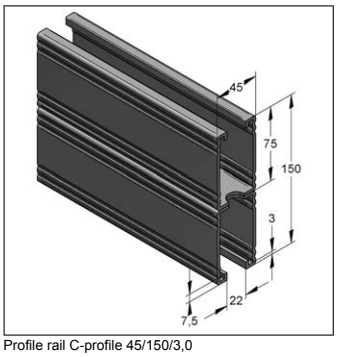

Profile rail C-profile 45/52/1,5

Profile rail C-profile 45/90/1,5

Profile rail C-profile 45/120/3,0

Profile rail C-profile 45/150/3,0

Specification

Application area:	Medium weight mounting rail with quick connection option.
Specification:	Toothed C-profile rail. Double rails are perforated and welded.
Type of attachment :	form-locking connection

Technical data

Material:	Steel

Remark: For technical overview of mounting rails see end of chapter 2d. For stainless steel mounting rails see chapter 13. Mounting rails with coatings on request. For hot-dip galvanized parts dimensional deviations of up to 1 mm are possible. A design in accordance with DIN EN 1993-1-2 (EC3) for applications in the event of fire is carried out by our application technology department. A design in accordance with FM is carried out by our application technology department.
